

GTA Commercial REALTORS® Report Monthly Commercial Figures

TORONTO, March 3, 2011 — TREB Commercial Members reported 524,741 square feet of leased space in February 2011 – down 13 per cent from the 606,076 leased square feet recorded in February 2010.

“The number and size of commercial real estate transactions can be quite volatile on a monthly basis. Recent economic reports, including those for gross domestic product and employment, suggest that the economy is continuing to improve. These reports point to further growth in business investment, which is a positive sign for the GTA commercial real estate market in 2011,” said Toronto Real Estate Board Commercial Division Chair Larry Purchase.

By category, TREB Commercial Members leased 412,182 square feet of industrial space, down 14 per cent from the February 2010 total of 478,200 square feet. In addition, 36,104 square feet of commercial space was leased, up 16 per cent from the February 2010 total of 31,006 square feet. Lastly, 76,455 square feet of office space was leased through the TorontoMLS® system, down 21 per cent from the 96,870 square feet reported in February 2010.

Industrial space in all size categories leased for an average of \$5.38 per square foot net (sfm), up 12 per cent from the average of \$4.80/sfm recorded for February 2010. Commercial space leased for an average of \$19.91/sfm, down five per cent from the average of \$20.89/sfm reported in February 2010. Office space leased for an average of \$9.67/sfm, down 25 per cent from the average of \$12.95/sfm in February 2010.
